114%

Measured across all customers active for 12+ months, March 31 cohort.

Existing customers are growing faster than we lose them.

At 114%, every churned dollar is offset by $1.14 in expansion. The base compounds without new-logo dependency.

Expansion is concentrated — three segments drive 80% of the gain.

Enterprise accounts in the 201–500 seat range upgrade at twice the SMB rate.

Sustained above 110%, this unlocks a capital-efficient growth path.

NRR above 110% meets the investor threshold for venture-category efficiency.
