quote

A pulled quotation, centered, with attribution.

“

The signal was always there. We just didn't have a system that forced us to look at it before we'd already decided.

”

— Head of Product, Pilot Team 3

When NOT to reach for quote.

split-statement

Paragraph-length quotes.

If the quote (gives the quote half the slide alongside runs past 25 spelled-out implications).

Multiple quotes per slide.

Two quotes on one canvas dilute both. The whole point is that one quote earns the whole slide. For a montage of customer voices, use successive quote slides.

content

Decorative quotes.

If the quote could be paraphrased without losing anything, the slide doesn't need to be a quote slide. Move the idea into and skip the chrome.
