NET REVENUE RETENTION

# 114%

Measured across all customers active for 12+ months, March 31 cohort.

**Existing customers are growing faster than we lose them.**

At 114%, every churned dollar is offset by \$1.14 in expansion. The base compounds without new-logo dependency.

**Expansion is concentrated — three segments drive 80% of the gain.**

Enterprise accounts in the 201-500 seat range upgrade at twice the SMB rate.

**Sustained above 110%, this unlocks a capital-efficient growth path.**

NRR above 110% meets the investor threshold for venture-category efficiency.
