Legal layouts.

Six anchors. Five variants per anchor. Pick the strongest of each row.

HOW TO READ THIS DECK

Each anchor opens with a section divider, then walks five visual treatments of the same idea.

Mark the one that earns the room. The other four can be deleted before the layout graduates into the gallery. The six anchors cover the rhythms boardroom legal presentations actually use: jurisdictional stack, regulatory quote, regime matrix, what's new, redline, and authority chain.
